Project Name

Application/Description

Prototype Date  Production Date  Annual Volume

Target Price  Currency

Type    AC – DC    DC – DC    DC – AC    DC – USV

Input Voltage    Frequency    Total Output Power  
 From    to    From    to   

Output Voltage    Output 1    Output 2    Output 3    Output 4    Output 5    Output 6  
                       

Output Current                       

Ambient Temperature    Cooling  
 From    to     Forced with Fan     Forced without Fan     Convection Cooling     Conduction Cooling

Form Factor  
 DIN-Rail     19" Cassette     PCB-SMT     PCB-THT     Desktop & Wall-Plug     Enclosed     Open-Frame

Max. Dimensions  
 Length    Width    Height
