
Elma Group expecting significant increase of net profit for business year 2017

CH-Wetzikon, December 12, 2017 – In the first eleven months of the current business year 2017 the Elma Group has significantly increased order income, net sales and net profit compared with the previous year.

The business performance of the Elma Group developed very positively in 2017 and the company will clearly surpass the results of the previous year. From today's perspective, Elma anticipates to close the year 2017 with a significantly higher net profit in the range of CHF 4 million (previous year: CHF 2.3 million). All three regions contributed to this distinctive result improvement.

The complete annual financial statements and the Annual Report 2017 of the Elma Group will be published on March 15, 2018.
