

# EXPRESS SYSTEM LIST

## VME64x and VME

### DESCRIPTION

Elma Electronic's Express System platforms are available in 19" rackmount, desktop, and portable tower chassis options. All Express System units are shipped fully assembled (with chassis, VME64x or VME backplane, storage device, and power supply unit), wired, and tested. These Express System units are in stock and available to ship in 2 weeks for the first 1 or 2 units, and 4 to 6 weeks for the remaining balance of the order.
