

■ ATCA

Elma's line of AdvancedTCA system platforms is available in 19" rackmount, desktop, and portable tower options. Elma Express chassis are in stock and available to ship in 2 weeks for the first 2 units, and 4-6 weeks for the remaining balance of your order. All units ship assembled, wired, and tested.

PART NUMBER 11A05GJX58Y4HC6X

Backplane Configuration 5 Slot
Bare Board 5U, All X FS
Fabric Architecture Replicated Mesh
Drives Not installed
Height 5U
Width 84T
Rear IO Yes
Depth 400mm-499mm
Card Orientation Horizontal
PSU Input 90-230VAC (fixed)
PSU Output 500W (Brick)
Shelf Manager Not Installed

PART NUMBER 11A02GJX28Y4HMXR

Backplane Configuration 2 Slot
Bare Board 5U, All X FS
Fabric Architecture Replicated Mesh
Drives Not installed
Height 2U
Width 84T
Rear IO Yes
Depth 400mm-499mm
Card Orientation Horizontal
PSU Input Dual 48VDC
PSU Output Not Installed
Shelf Manager 1 x Fixed

PART NUMBER 89A-5ZD-ZS-IP-1 *

Backplane Configuration 5 Slot
Bare Board Full Mesh
Fabric Architecture Replicated Mesh
Drives Not installed
Height 5U
Width 84T
Rear IO Yes
Depth 400mm-499mm
Card Orientation Horizontal
